## **BROOKE TAYLOR – DALBY DEVILS CLUB AMBASSADOR FOR "2009"**

Please support our club ambassador for 2009. You will see Brooke at our home games selling tickets in various raffles. There will be a number of fundraisers throughout the year. There is going to be a shopping spree trip to Brisbane to factory outlets, hopefully to be taken place early in the second round of footy. Keep your eyes and ears open for more details if you are interested!

Dalby Devils would like to thank Andrea Steele of McDonald's Dalby for her generous donations of esky's, water bottles, daddy cooler and the portable shade cover that our medical officer sits under at each home game. Your donations to the club are very much appreciated.

Well we are headed into the final round of footy for the season and our first game for round 2 will be against Highfields at Highfields on 6<sup>th</sup> June, so get out your winter wooly's as the cold weather won't be far away.

A big thank you must go to all our coaches/managers/helpers for all their support, time and effort that they have contributed to their respective teams. Also our Club would like to thank Craig Rush and the Leagues Club for their continual support of the Dalby Devils.

Thanks must also go to the committee for their hard work and dedication to the club especially Craig Fermor who never stops. Not to forget our ball boys, ref's, touchy's and the commentary box team who all do a great job. Thank you also to Vivienne Rolls, our medical officer. Everyone's help is appreciated.
